

Dialogue work: Print it out and cut it into pieces, then try to find the right order of the dialogue. Write a similar (ähnlich) text on a separate sheet.

Hi, my name is Konrad. What is your name?

I am Johan. Nice to meet you!

How are you Johan?

I am fine, and you?

I am fine too but I am a little bit tired.

Tired? It's twelve o'clock. Aren't you hungry?

I am hungry too. Do you go to a restaurant?

Yes, I meet my friend Hans there. He plays football for Bayern München.

Really? That's interesting.

Do you want to come with me?

Yes, I'd like to!

Let's go.
